YWCA Mission: Racial Justice

DATE: Ongoing

LOCATION: Various

To further our mission of eliminating racism, the YWCA hosts events and programs throughout the year that seek to celebrate the diversity of our local community, educate community members about diverse cultures and religions, and provide opportunities for discussion and dialogue between diverse groups. All of these programs and events are open to the public at no charge. By promoting education and exposure to different cultures, we believe that fear and ignorance will become understanding and that this understanding will lead to acceptance of all people.

With a contribution of **$100**, your business will receive:

- **Recognition in promotional and advertising materials** for each event or program
- **Your name or company's name** listed in our quarterly *YWorks* program guide (distributed to nearly 18,000 readers) for the period in which your sponsored event(s) occur(s)
- Listing in the **event program(s),** if applicable

Past racial justice events have included the annual **Unity Walk**, **Holiday Stories from Around the World**, **Time to Talk** discussion series, **film screenings and book discussions**, and **partnerships** with other community organizations.
