

YWCA IS ON A MISSION

Dear Friends,

The YWCA Gettysburg & Adams County continually strives to meet the needs of our community by offering affordable memberships, quality childcare facilities, and free, mission-minded programs. We are dedicated to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all.

As Shirley Golden, pictured center, expresses, “Where else can you go and have so many great things to do?” Shirley has been enjoying the YWCA since 2014, and you will often find her in the circuit room, relaxing during gentle yoga, or delivering delicious baked goods to the YWCA staff. Like many others, Shirley is a member through her insurance.

Coverage through a medical plan is a great way for people to take advantage of all the YWCA offers while improving well-being. However, subsidized memberships do not make up the full cost of a rec pass, leaving the YWCA to recoup the difference. As a nonprofit organization, we rely on the income from membership fees to support all of our programs and maintain our facilities.

Knowing this, **Shirley pledged to give a monthly gift** to help offset the costs. “If I can help in any way, I will do so,” she wrote in a letter about why she gives to the YWCA. Shirley noted that others are always doing their part to help her. For example, people have shown her how to use equipment, a bit of guidance that she appreciates. Plus, she says that working out at the YWCA makes exercising more fun!

From the smiling children that greet her in the halls, to the friends she has made in the circuit room, she knows her donation helps provide many needed services for other members. The YWCA extends our sincere thanks to those of you, like Shirley, who already donate. We would not be the community center we are today without the generous support of our members, local businesses, and sponsors. Would you join Shirley by donating to the YWCA?

Thank you!

Deb
